

GEOSCIENCE CANADA

2010 Subscriptions

GEOSCIENCE CANADA (ISSN 0315-0941): *Publishing general-interest articles for the Earth Science professional.*

2010 - Volume 37, Numbers 1 to 4. Released in March, June, September and December; occasionally issues will be released late.

Subscription Rates:

Canada: \$183.75 CDN (\$175.00 + \$8.75 GST)

United States: \$195.00 USD

International: \$195.00 USD

All prices include postage via surface mail. No agency discounts, as GAC is a not-for-profit association.

Payment information:

All subscriptions must be pre-paid. We accept Visa, Mastercard, American Express, Canadian and US Cheques. All cheques must be made payable to **Geological Association of Canada**. US cheques must be drawn on a US bank.

Claims, Cancellations and Late Payment:

Claims for non-receipt of issues must be received in writing within six months following the mailing date of the publication for international mailings, three months for US mailings, and one month for Canadian mailings; all others will be refused. Cancellations are not accepted after the first issue has been mailed; we do not give refunds. We reserve the right not to accept payments (new subscriptions or renewals) after the first issue has been mailed.
